Born : Milan ,11 March 1966
Degree : -Scientific high school degree
 -Modern History in Milan State University
Language:- mother tongue italian and english
 -high school level french

Professionally employed in show business since 1986 I have developed a full range of skills in all aspects ,technical and artistic,of the lighting designer job.

Live tours,Television,Corporate,shows,Fashion shows,Festivals,Sport events,Celebrations , Architectural installations ,Interior lighting design ,are some of the fields in wich I work at top levels in the Italian and international market.

Since 1999 I am an MTV Italy contractor as Director of Photography and Lighting Director for many “live” events and studio tv shows broadcasted for Italian and European market.

Associate to JKLD N.Y. (www.jkld.com) since 1998 my studio has supported and created many of the most prestigious events of Milan,Florence ,Rome and Paris fashion seasons.

Since 2006 Professor at Milan University Politecnico in the Architectural lighting department And Vice Director of the masters in lighting design since 2008.

Professor at IUAV Venice University since 2009

Professor at IED Milan European Design Institute since 2009

Giovanni Pinna

FASHION SHOWS

Since 1993 I work for fashion shows in Milan, Florence and Rome. Apart from lighting design I have been involved in different projects as production manager for Italian events with many American companies as *Kadan Productions*, *Kevin Krier & Associates*, *Bureau Be-tak*, *JKLD*, producing shows for **Donna Karan**, **Gucci**, **Hugo Boss**, **Byblos**, **Missoni**, **John Bartlett** and many more.

Since 1998 I am a lighting design associate to JKLD N.Y., one of the top lighting design company's in the world of fashion shows which I represent in Italy
